LX Dual Display Lift Stand and LX Widescreen Dual Display Lift Stand

- Constant Force™ (CF) patented lift-and-pivot motion technology produces smooth adjustment
- Effortlessly adjust multiple monitors to the most ergonomically comfortable position
- Monitors move in tandem to maintain horizontal integrity
- Make efficient use of desk space
- Easy to use—simple installation and effortless operation
- 5" (13 cm) height adjustability
- Integrated cable management
- Monitors can be installed portrait or landscape
- 5 year warranty

RAISE AND TILT YOUR DISPLAYS FOR MAXIMUM PRODUCTIVITY

These cutting-edge solutions easily lift two or three displays on a single base while providing five inches of height adjustment. Simultaneously lift and tilt displays with just a touch of the hand for maximum ergonomic comfort. The LX Dual and Triple Display Lift Stands enable multiple documents to be viewed at one time ensuring the utmost productivity and accuracy in any work environment.

Effortlessly adjust multiple monitors to the most ergonomically comfortable position

Monitors move in unison to maintain horizontal integrity

Multi-monitor solution will increase productivity and reduce errors

Make efficient use of desk space

Easy-to-use—simple installation and effortless operation

33% fewer errors reported when using multi-screen configurations; 24% of workers feel more comfortable when using multiple monitors.

LX Dual Display Lift Stand

Works with most LCDs with diagonal screen-size up to 24". See product dimensions for details: [Download PDF](#). Stand can be used to hold a single widescreen display of up to 30", contact Ergotron for more information

LX Widescreen Dual Display Lift Stand

Also known as the LX Triple Display Lift Stand

Works with displays with diagonal screen-size up to 30" when mounting two larger (2) displays, or holds three (3) smaller displays up to 21". If mounting two (2) displays that are 24" or less, use the LX Dual Display Lift Stand (33-299-195)

Mounting Standards: VESA FDMI, MIS-D, 75/100, C (hole pattern: 100 x 100 mm & 75 x 75 mm). For displays that use an MIS-E 200 x 100, MIS-F 200 x 200, or MIS-F 400 x 200 mm hole pattern, the VESA Bracket Adaptor Kit (97-474) can be ordered separately
