Neo-Flex® Notebook Lift Stand

- Smooth one-step lift and tilt functionality promotes true ergonomic viewing with Constant Force (CF) technology
- Easy to use—simple installation and effortless operation
- Excellent price performance
- Width- and weight-adjustable design is compatible with most notebooks, with or without port replicator
- Lightweight and compact design enables mobility
- Create a productive dual-display configuration by placing your notebook's screen alongside an existing LCD
- Get the comfort of a full desktop computer system with notebook portability

LIFT AND TILT YOUR NOTEBOOK TO EYE LEVEL—
INCREASE COMFORT AND PRODUCTIVITY

Lift and tilt your notebook to eye level for better ergonomics and productivity. At home, make paying bills, searching the net or viewing photos easier by placing your screen where you can see it best. In the office, enhance productivity by pairing a notebook alongside an existing LCD to create a dual-display configuration. Get desktop computing comfort with notebook portability.

Neo-Flex Notebook Lift Stand

- Effortlessly position your notebook for proper ergonomic viewing comfort and productivity
- Superior technical design enables use with or without a docking station
- Up to 360° of side-to-side swivel
- Vented platform allows for cooling air flow
- Sleek design complements any home or office
- Offers true ergonomic height/tilt adjustment—six-inch (15 cm) motion range places top of screen at proper eye level for maximum viewing comfort
- Independent tilt range, up to 25°, positions a notebook for maximum ergonomic comfort
- Width- and weight-adjustable design is compatible with most notebooks, with or without port replicator

Part # (color)	33-334-085 (black)
Includes	Stand, cable ties, hook and loop, adhesive non-slip pads
Weight Capacity	3.5–14 lbs (1,6–6,4 kg)
Lift	6" (15,2 cm) Height Adjustment: A combination of lift and tilt can move the height of a notebook's screen through a 6" (15,2 cm) range
Tilt	25°
